David,

In addition to showing him the five documents he allegedly misappropriated, we would also like to show him his own transition memo, which I believe is the document you produced today (414-416). Please let us know today if we can show these documents to Sameer.

David,

Apologies if we miscommunicated. Can we show him the 5 actual documents? If he allegedly took them, why shouldn't we be able to show him what he took?

Mr. Kshirsagar should treat and review these names in accordance with the terms of the Interim Protective Order.
